Microsoft Office is a ubiquitous set of productivity tools, which aids business professionals, corporate staff, teachers, and others in performing basic tasks with your computer. Microsoft Office 365 and Microsoft Office 2019 offers a wide range of options to choose from. Depending on your preference about the update frequency and your budget, you can opt to go for Microsoft Office 2019 or proceed to select subscription-based Microsoft Office 365. However, before activating the product, you must create a Microsoft login id at "Office Login."
